

OGGETTO: Announcement of Company name change

Dear Customer, Dear Supplier,

we are delighted to announce that our **company name will be changing as of January 1st, 2018** from the current "DiaMed italiana Srl" to

Dia4it s.r.l.

Tax code, VAT number, registration at the Chamber of Commerce, ownership structure, address and telephone numbers remain unchanged.

On the contrary, our Internet site and e-mail address will change as shown at the bottom of this letter.

The switch from a monobrand distribution to a product diversification strategy recently undertaken, which leads us to broaden our product portfolio, has stimulated the need to identify ourselves with a new company name. Our commitment to keep our undisputed reputation as a professional, competent and reliable partner on the Italian market of diagnostics products will remain unchanged.

This is why Dia4it s.r.l. will be operating in the same offices and warehouse where Diamed italiana s.r.l. has been working for many years, with the very same staff members in order to keep on distributing our classic product line. Moreover, with the very same devotion, we will soon distribute new product lines.

Therefore, our aim is to expand our offering while maintaining the high level of support for our valued customers.

We kindly ask you to update your records accordingly and please feel free to contact us for any further question concerning the issue.

We thank you for your attention,

Yours faithfully,

DiaMed italiana Srl
